January 12 Business Meeting and Bi-Annual Officer Elections

January 11 EST Meeting

Tulsa Section on Facebook

Your Section and Regional Officers for 2009

January 12, 5:30 pm OSU Tulsa, North Hall Room 156 Elections and Business Meeting

This year we'll be conducting our biannual elections for our IEEE Section Officers. Your current officers are listed at the end of this newsletter. The slate of nominees presented by the nominating committee are:

Chair for 2010-2011:	Larry Paden
Vice Chair for 2010-2011:	Phil Petta
Treasurer for 2010-2011:	David McCurley

According to our constitution, those present at the meeting tonight constitute a quorum and will vote to accept the nominees or to reject the slate of nominees and ask the nominating committee to present a different slate of candidates.

After the election we will spend some time brainstorming ideas for programs, meetings, and tours that folks are interested in having during 2010.

Also, on behalf of the entire section, we extend our thanks and appreciation to Robert, Phil, Larry and David for serving for the past two years. Your work is appreciated.

January 11, EST Meeting, Monday January 11, 11:30

Engineers' Society of Tulsa invites IEEE Tulsa Section to join them in their Jan 11 Monday Luncheon Meeting at the ONEOK Cafeteria, lunch at 11:30, meeting starts about 12:10, ends by 1:00 pm.

The program is "MEP Challenges in Today's Business Climate" by Ron Lee, PE and Charles Maddux, PE of MPW Engineering. Both are TU EE grads. discription attached, or see tulsaengineer.org.

IEEE Tulsa Section Facebook group

There's now a Facebook group just for the IEEE Tulsa section. This is another avenue to communicate and connect with other IEEE members and like-minded professionals. Just search in Facebook for IEEE Tulsa Section and join the group! We're up to 9 members and growing slowly.
