

IEEE Tulsa Section *Electronic DataLink*

Reserve the second Tuesday of each month for section meetings!

May 2010 Issue

Contents:

May 11 Section Meeting, Solatube Solar Lighting Products

June 8 Annual Family Picnic at Mohawk Park

Tulsa Section on Facebook

Region 5 Conference 2012

Your Section Officers for 2010-2011

May 11 Section Meeting. Mr. Rob Biggins of Specialties Plus will present Solatube's residential solar lighting products (see <http://www.solatube.com/residential/index.php>). Join us at OSU-Tulsa to learn about this innovative product line. This meeting will be in North Hall, Room 153. Refreshments will be available at 5:30 and the program will begin at 6:00 pm.

June 8 Annual Family Picnic. We'll meet at 5:30 at shelter #4 for our annual family picnic. Food and drink is provided by the section, but you're welcome to bring a tasty treat to share if you like. Come on out, bring the family and a Frisbee and have a great time!

Upcoming programs. We're planning a trip to the USS Batfish in Muskogee for July. Watch your newsletter for details on the date and time. We also have a program on residential alternative energy planned for September and a visit to the electric car project for October. A presentation on nuclear energy options is in the mill too.

Section chair Dr. Larry Paden is actively seeking your ideas for program topics, tours and other activities. Please contact him at Larry@Paden.biz, or leave a message at 918-527-3900.

IEEE Tulsa Section Facebook group

Our section Facebook group is up to 16 members and continuing to grow.

This is another avenue to communicate and connect with other IEEE

members and like-minded professionals, so join up now. Just search in Facebook for IEEE Tulsa Section and join the group!

2012 Region 5 Conference Proposal. We have formed a Region 5 Conference committee and prepared a proposal to host the 2012 Region Conference and GreenTech symposium. Thanks to everyone who helped with this and to all those who answered the call for potential volunteers. We'll keep you posted on the selection process.
