**OFFICIAL RULES FOR THE  
2012 TULSA ENGINEERING CHALLENGE**

**Mini Math Competition**

---

**OBJECTIVE**

The objective of the Mini Math competition is for the contestants to solve the math problems to the best of their ability.

---

**DESIGN STATEMENT**

Each entrant will attempt 10 challenging math questions geared towards their grade level.

---

**MATERIAL SPECIFICATIONS**

Each contestant will receive a set of 10 questions and a pencil with eraser.

---

**COMPETITION SPECIFICATIONS**

1. This is a walk-up event needing no registration. All ages can participate.
  2. This is an individual event.
  3. Contestants may not use a calculator.
- 

**JUDGING AND SCORING**

The highest score for each hour for each division, Upper Division (9<sup>th</sup> thru 12<sup>th</sup>), Middle Division (7<sup>th</sup> thru 8<sup>th</sup>) and Lower Division (6<sup>th</sup> grade and under) will be identified for prizes.

Final scores will be posted on the website and may not be known the day of the event.

---

**GENERAL**

The contest is limited to only one entry per student per day. Each entry must be by an individual. Teams are not allowed.

---

## PRIZES

A \$20 cash or equivalent prize will be awarded each hour to the contestant with the highest score for each division as follows: Upper Division (9<sup>th</sup> thru 12<sup>th</sup>), Middle Division (7<sup>th</sup> thru 8<sup>th</sup>) and Lower Division (6<sup>th</sup> grade and under).

First Place (each hour): \$20 cash or equivalent gift.

Any cash prizes will be awarded by a bank check and issued to the teacher/school listed on the registration to be cashed and distributed to the winning student. We will mail a check to the address listed on the registration within a few weeks of the competition. If you do not receive your prize within a few weeks, please email [techallenge@yahoo.com](mailto:techallenge@yahoo.com) with your team name, school, and competition won.
