

Students and parents are invited to....

2018 TULSA ENGINEERING CHALLENGE DROP-IN WORKSHOPS

Discovery Lab

3:30 P.M. - 5:30 p.m. | Every Tuesday Jan. 23rd-Feb. 20th

General Admission Pricing (\$6 per Person Ages 2 and Up)

Work with your students on their 2018 Tulsa Engineering Challenge projects at Discovery Lab drop-in workshops.

Drop-in workshops are a great opportunity for your student to make tweaks and test their project. Our experienced educators will be on hand to answer questions regarding the following projects:

- :: **CHEMICAL SWITCH**
- :: **ELECTRIC MOTORS**
- :: **RUBBER BAND POWERED VEHICLE**
- :: **PING PONG BALL LAUNCHER**
- :: **ALUMINUM BOAT**
- :: **PAPER AIRPLANE**
- :: **TOOTHPICK BRIDGE**

Work together with your student!

No reservation is required for drop-in workshops. Students must be accompanied by an adult and should bring their own supplies. For more information, call 918-295-8144 or visit www.tulsachildrensmuseum.org.
