

The Joint Engineering Scholarship Annual Golf Tournament was held on Friday, October 2, 2020. Over \$5,000 was raised for engineering scholarships. Hosting organizations were American Public Works Association (APWA), American Society of Civil Engineers (ASCE), American Society of Mechanical Engineers (ASME), Oklahoma Society of Professional Engineers (OSPE), and Tulsa Engineering Foundation (TEF).

The beautiful day of golf was enjoyed by 60 players at the Page Belcher Golf Course. The hosts are especially appreciative of the players who contributed to the Game and Mulligan donations. It totaled \$1,120!

Special thanks to Tournament Sponsor AAON and Lunch Sponsor OCT Equipment. Hole Sponsors were AAON, Advanced Drainage Systems, Benham Design, CEC, EST Inc, Freese and Nichols, Greeley and Hansen, Karen & Mike VanSchoyck, Marco Industries, McElroy Manufacturing, Nyloplast/Advanced Systems Inc, Poe & Associates, RJN Group Inc Consulting Engineers, and T-G Excavating Inc.

Companies who sponsored teams were AAON (three), ADS (two), Benham Design, Building and Earth, CEC Corp (two), Freese and Nichols, IMPACT Contractors, Kleinfelder, Marco Industries, Olsson, and RJN Group

Teams awarded prizes were 1st Place – AAON lead by Ronny Guinn, 2nd Place - CEC Corp lead by Andy Blankenship, and 3rd Place – AAON lead by Stephen Hall. 1st Place received the Traveling Trophy as well as cash. 2nd and 3rd place received cash. Closest to the Pin Contest prizes of two rounds of golf were awarded to Andy Blankenship , Ronny Guinn, Terry Lauritsen, and Alan Kizer. Longest Drive Contests were awarded to Bobby Goben and Eric Milliniks.

Door prizes were donated by ADS, CEC, Ferguson Waterworks, RJN Group, and Page Belcher Golf Course.

Thank you to all that donated and participated! Many area youth will appreciate the scholarships.

The 2020 Golf Tournament Committee members are: APWA members Nancy Doutey, Tommie Heltcel, and Philip Howery; ASCE members Jessica Prince (Chair) and Sarah Kellert; ASME member Jake Ford; OSPE member Karen Van Schoyck, and TEF members Jennifer Butler, Ryan Pierce, and Barbara Wollmershauser.
