

2021 Tulsa Engineering Challenge (TECh) VIRTUAL -

The 2021 Tulsa Engineering Challenge will be held via a virtual format in the spring of 2021 due to the COVID-19 Pandemic. This year's theme is *Imagining Tomorrow*. TECh is a hands-on opportunity for youth 4th – 12th grades to explore problem solving, designing and construction of devices that accomplish tasks.

Events and rules are posted at: <https://sites.google.com/view/tulsatechchallenge>

Hints:

Click on FAQ for dates and time schedule as well as other FAQ. (Menu bar)

To print the virtual rules, click on box in the upper right hand corner of the rules (little box with diagonal arrow “Pop-out”). You can then select to print or download the rules.

For general questions, contact tulsatechchallenge@gmail.com

For questions about a competition, use the link at the bottom of the rules to send an email to the Lead Judge.
