# OFFICIAL RULES FOR THE 2024 TULSA ENGINEERING CHALLENGE

## ACADEMIC OLYMPIAD

---

### OBJECTIVE

Each contestant will take a 20 to 40 question assessment to identify the student's knowledge of Science, Technology, Engineering, and Math (STEM) topics appropriate to their grade level.

---

### COMPETITION SPECIFICATIONS

The competition will run continuously during the Challenge between 8:30 a.m. and 11:00 a.m. This is a walk-up event needing no registration. All ages can participate.

---

### JUDGING AND SCORING

The assessment will be scored after the event is over. Students will record the start time and end time on their score sheets. In the event of a tie, time will be used to determine the winner. You may check the TECh web site for the top scores.

---

### PRIZES

Prizes will be awarded for four divisions as follows: **Upper1 Division** (11<sup>th</sup> thru 12<sup>th</sup>), **Upper2 Division** (9<sup>th</sup> thru 10<sup>th</sup>), **Middle Division** (7<sup>th</sup> thru 8<sup>th</sup>), and **Lower Division** (6<sup>th</sup> Grade and Under).

First Place: \$50 cash

Second Place: \$40 cash

Third Place: \$25 cash

Cash prizes will be awarded by a bank check and issued to the teacher/school listed on the registration. We will mail a check and certificate to the address listed on the registration within a few weeks of the competition. If you do not receive your prize within a few weeks, please email [info@tulsaengineer.org](mailto:info@tulsaengineer.org) with your team name, school, and competition won.
